March 5, 2019  
Hampton Inn & Suites  
University Ballroom  
1225 Fellows Place  
Columbia, MO 65201

The 2019 Missouri Alliance for Dual Diagnosis (MOADD) Summit will promote best practices and current implementation of those practices with individuals who have dual diagnosis of intellectual/developmental disabilities and behavioral health disorders in Missouri.

*The Missouri Coalition for Community Behavioral Healthcare (MCCBH)* has approved this Summit for continuing education hours. Attendees will be awarded up to **5 Clock Hours or 6 Contact Hours (.6 CEUs)** for their participation. MCCBH will be responsible for this program and maintain a record of continuing education credits earned.

For questions regarding CEUs, please contact Emily Conde, Professional Education Manager: [econde@mocoalition.org](mailto:econde@mocoalition.org).

There is no registration fee, but registration is required. [Click](#) to register for the summit.
